

Ref: 000758

Area Sales Manager: Air Conditioning Equipment:
Basic Salary Up to 35k: OTE up to 10%
Living in Swindon.

As one of the primary industry specialists, our Client has always enjoyed a well-deserved reputation for quality and dependability among clients looking for an effectual, expedient solution to their cooling/heating hire requirements.

With comprehensive knowledge of a wide range of industries, and one of the most highly developed and extensive fleets, our Clients are able to tailor packages to the needs of a specific market.

The Role

- Selling Air Conditioning Units for Hire.
- Selling to Refrigeration Contractors, Consultants and Facilities Management Companies.
- Dealing with Owners.
- 100% new business.
- Covering South Wales, to London.

The Person

- Will ideally have experience of selling Air Conditioning and Refrigeration.
- Will have a proven track record of being able to build relationships.
- Will be mature, polished, intelligent and able to make good business decisions.
- Ideally living in Swindon.
