

Ref: 000833

Technical Sales Engineer: Precision:
Basic Salary Up to 28k: OTE up to £5k:
Living in the South West.

Our Client is the world's third largest manufacturer of a complete range of production dimensional measuring technology. It was founded in Germany 150 years ago and has been operating in the UK for 10 years. Its systems measure minute length, form and surface deviations these are mainly used in the automotive and aerospace industry but would be needed in any industry where precision measurements are required.

The Role

- Selling Precision Engineering.
- Selling to Engineers.
- Dealing with Owners.
- 60% new business.
- Covering South West (Hampshire/Wiltshire/Devon/Gloucester)
- Two-week induction period in Germany.

The Person

- Will ideally have experience of selling test equipment.
- Will have a proven track record of mechanical or electrical sales.
- Will be well motivated, enthusiastic and a good team player.
- Ideally living in Bristol/Somerset.
